BCI Quality Check Clean Assurance Guarantee:

Under this **Quality Check Clean Assurance Guarantee** BCI representatives will perform regularly scheduled preventative maintenance service calls every month. Preventative maintenance insures **One-Pass-Cleaning-Performance** of chemical formulations and sanitation equipment.

Scheduled Service Call: On each scheduled service call a BCI technician will check overall performance of sanitation equipment and cleaning practices of all pertinent departments. Other facets of the customer plant operations and equipment related to cleaning and sanitizing will also be checked for proper operation and condition to insure performance reliability (this includes Engineering, Maintenance and General Plant Operations).

Reporting: A qualified BCI representative will complete a electronic service report corresponding to that particular Quality Check Clean Assurance Service. This report will be stored on the BCI iNET server (Integrated Networking Technology) for customer viewing and/or BCI will email reports directly to those parties who wish to receive them on a regular basis.

Emergency Service 24/7: BCI will respond to any service call within 30 minutes and guarantee a service technician physically being at the account within maximum two hours after dispatch.

Repair Services: BCI owned equipment will be serviced and repaired by an authorized BCI representative at no charge to the customer. Customer equipment repairs, trouble shooting and service is offered by BCI and will be bid upon by BCI on a case by case basis. Upon approval by said customer of any bid/quote repair jobs, BCI assumes all costs associated with trouble shooting customer equipment, researching parts, preparing Bid/Quotes and a three month warranty of all parts installed by BCI.

In-Service Training: BCI will conduct on site training classes. BCI provides training to your supervisors so that they can adequately train and supervise your employees in all aspects of chemical safety and proper cleaning and sanitation practices. Refresher courses are also available for supervisors upon request. Please be aware that supervisors are responsible for training your employees, and BC Industrial Services, LLC has no responsibility under this contract to train all of your employees. Additionally, proper chemical handling is extremely important! Eye wash stations must be available for your employees and they must be properly trained in their use.

Established in 2006, BC Industrial Services LLC has a proven track record of helping our customers achieve and maintain a high level of cleanliness with cost efficient sanitation solution programs. “Cleaning Through Chemistry” isn’t just BCI’s motto; it’s actually what we do. When cleaning processes are broken down to their most basic parts, the chemistry happening at a molecular level is what powers out soils, cleans and sanitizes. BCI recognizes the importance of being your trusted sanitation supplier of choice. We offer custom tailored product solutions your various departments require and depend on to efficiently clean and maintain a healthy, sanitary environment.

Your organization will benefit from **Quality Products** supported by uncompromising **Professional Service**. We take great pride in providing our customers with the highest quality products available on the market at a competitive price. Our customers will take comfort in knowing that these products come backed by BCI’s professional services in all cleaning and sanitation applications. BCI Technicians have gathered extensive training and have a knowledge base that is required within this industry to provide professional service.

“We must envision it first for it to come to fruition”. In today’s industrial environment, with the very current **drought California** is facing, water consumption is on everyone’s mind. BCI has taken this to heart and applied it to long term water conservation within our product line and services. When you see the logo “**Water Smart**”, know that the product it applies to is a water/energy conserving product. In cleaning applications such as Warewashing and Laundry this could mean thousands of gallons of hot soft water saved per day.

“**Legacy Laundry Care**” advanced laundry chemical formulations in combination with State-of-the-Art dispensing and specially trained technicians provide our customers with superior laundry processing. Legacy Laundry Care’s hyper-concentrated highly active formulations combined with superior quality surfactants provide excellent emulsification of soils. Legacy chemicals are designed to excel in all water temperatures, soil conditions and performance demands. Legacy exhibits outstanding **One-Pass Cleaning Performance** at low end use cost.

Deep Clean: Let BCI help your departments optimize deep cleaning and sanitation performance with our trusted products and guaranteed services. **Maintain:** Our “Quality Check Clean Assurance” audits provide regularly scheduled, documented service reports, insuring the highest degree of quality control and sanitary requirements.

Enhance Image: Customers will take notice of your clean facilities, sparkling tableware and bright white linens. **Increase Revenue:** BCI is dedicated to helping our customers maximize return business and control costs.

BCI is committed to going green clean with an emphasis on leaving a minimal negative impact to the environment. BCI's "**Project Greenline**", continues to add Green Programs like **Water Smart**, **MicroTech**, **Green Seal**, **Design for the Environment** and **Readily Biodegradable** to its portfolio.

"Consider the MicroTech Advantage". Water Smart MicroTech products are super concentrated and use no water to distribute. One case of 2/1.5 gallon MicroTech replaces two 5 gallon pails requiring less storage space and features off-the-floor dispensing. Reduce your plastic waste by 80%. MicroTech products are formulated to excel in demanding conditions delivering outstanding **One-Pass-Cleaning-Performance**.

The patented **Closed Loop System** eliminates the chance for product overuse, spills and splashes. Chemicals can only be dispensed when the dispensing safety cap is engaged.

BCI incorporates a combination of mechanical/chemical engineering service with an emphasis on going green wherever possible. We utilize the worlds available technologies in products and cleaning chemicals in combination with a high of service at a local level to provide our customers with effective, **One-Pass-Cleaning Performance**.

Commercial DishMachines: Sales, Leasing, Service and Repair -

DishMachines that are properly maintained will proficiently clean and sanitize flatware, glassware, dishes, utensils and equipment. Regular maintenance will not only keep your equipment running efficiently, it will also save you time and money. BCI's professional factory trained technicians can effectively service any brand or model.

International Sanitary Supply Association - "Advancing Clean Driving Innovation. BC Industrial Services, LLC is recognized as a member in good standing with the ISSA, the worldwide cleaning industry association. The ISSA is an international association of more than 6,000 member companies in the professional cleaning Industry.

Today, with over 155,000 square feet of facilities stocked with the most comprehensive product lines available, United Fabricare Supply has clearly established its position as the overall industry leader and our partner in reaching a vast customer base. Strategically aligned distribution points now allow BCI to reach all of Southern California, San Francisco and Las Vegas Nevada.

OXY ORANGE

All Purpose and Beyond

Oxy Orange is a ready to use environmentally responsible all-purpose cleaner/spotter that quickly removes common soils and stains from carpets on all water washable surfaces. Hydrogen Peroxide based, Oxy Orange simplifies spotting as it quickly removes coffee, soda, juice, grease and mosts other soils.

SKU	PACK SIZE
164332BCI	12/1 qt case with 1 sprayer

Guaranteed Savings

Warewashing Systems

- Control costs and budget spending with regularly scheduled service.
- Let us help you obtain clean, sparkling glasses, silverware and dishes.
- Sanitation Compliance "Clean Check" contracted services agreement.

LIME-OUT

Heavy Duty Descaler/Delimer

This product is a non-foaming institutional strength acid, designed for deliming dishmachines. It will provide fast, efficient lime removal. It is for regular use and will extend the life of your equipment. It has a non-abrasive phosphate free formula that will not harm surfaces and is environmentally friendly.

SKU	PACK SIZE
5512283	4/1 gal

RAPID ACTION

Strongest for Professionals

Super strength formula easily removes baked-on carbon, food residue, spills, splatters and grease from ovens, fryers, BBQ's, pots and pans. Effective in both cold and warm ovens. Do not use on aluminum, copper or other soft metals or Teflon coated surfaces. Contains corrosion inhibitors.

SKU	PACK SIZE
112232BCI	12/1 qt

FRYER CLEANER

Deep Fat Fryer Cleaner

For use only in deep fat fryers.

- Concentrated formula
- Non-abrasive
- Has built-in tracers

SKU	PACK SIZE
57564	4/3.75 lb

STA-BRITE

Stainless steel cleaner and polish that polishes and protects stainless steel without hard rubbing. Resists fingerprints, grease and water spots. Helps preserve the factory finish.

SKU	PACK SIZE
257512	12/1 can

DOCK AND DUMPSTER TREATMENT

Cleaner and Deodorizer

For cleaning docks, dumpsters and areas surrounding dumpsters.

- Bioactive formula
- Hose connect sprayer
- Knock down fragrance
- No rinsing needed

SKU	PACK SIZE
3041211	4/1 qt

COMET INSTITUTIONAL CLEANSER

Bleaches tough stains and deodorizes as it cleans. Great for scouring tough stains on toilet bowls, wall tiles, tubs, sinks, chrome, stainless steel, stove tops and ranges, pots and pans. Its gentle abrasives can be used on fiberglass tubs and showers, imitation marble and similar hard plastic surfaces. Includes 24 canisters of cleanser.

SKU	PACK SIZE
2620540	24/21 oz can

LEMON-AIDE FURNITURE POLISH

An emulsion polish that dusts and cleans in one operation. Blend of silicone and lemon oil that cleans, polishes and protects fine furniture, woodwork, vinyl, plastic, Formica, leather and metal. Leaves a clear, bright shine.

LAUNDRY PRE-SPOTTER

All Purpose Pre-Spotter, Multiple Surfactant Blend, Solvents, Color Safe

This product will do an outstanding job on most stains and fabrics. Applied directly to the stain or spot, this product works immediately to penetrate the fibers, solubilize soils and prevent redeposition. This product, being a blend of solvents, wetting agents and anti-stain components, eliminates the need for several types of spotter. It aids overall detergent ability — a bonus for all laundry operations.

SKU	PACK SIZE
5388155	12/1 qt

ULTRA ACTIVE® PRE-SPOTTER 9

For all types of stains and spots on institutional and personal laundry.

- Multiple surfactant blend
- Contains solvents
- Highly concentrated
- Safe for use on colorfast dyes
- Flip-top cap

SKU	PACK SIZE
64864	6/1 qt

LIME-O-LEN LAUNDRY SPOTTER

Water Based Solvent Stain Treatment Spotter

This product is a concentrated d-limonene detergent booster and prespotter that can safely be used on carpets, linens, towels, sheets and the like. Simply spray or pour onto spot and wash or launder as usual. It contains only natural ingredients, is completely biodegradable and is safe on almost all surfaces. Try it as a degreaser and general purpose cleaner by pouring some on a soft rag or cloth and clean as usual.

INTRODUCING THE NEW PROFESSIONAL LINE OF LAUNDRY PRODUCTS
PACKED WITH A PUNCH!

all® Liquid Laundry Detergent

Built Detergent with Water Conditioners
Packed full of concentrated cleaning power and heavy-duty stainlifters™, all® Laundry Detergent removes tough stains! Helps remove oily and greasy food, ground in dirt and more.

SKU 100858590 1/1.5 Gallon

Your favorite laundry brands have been loaded with 2X the cleaning power in the new Professional Line.

Concentrated built formulas provide great results while using less product. Designed for institutional use, this three product system can do the work of other five product systems, reducing inventory, saving storage space and eliminating heavy 5 gallon pails. Professional Line all® is a built detergent with the added water conditioners. Professional Line Snuggle® is a sour/soft combination product. There is no need for additional boosters or neutralizers. Get the job done with less product and better results with Professional Line products! These products are suitable for institutional laundry spending units and home style machines.

Snuggle® Liquid Fabric Softener

Sour/Soft Combination Product
Makes your laundry smell clean and fresh while providing Snuggly Softness™ and reducing static-cling. Contains an odor-neutralizing fragrance which is designed to be extremely durable and hold up well to the high dryer temperatures used in industrial laundries.

SKU 100858632 1/1.5 Gallon

Liquid Bleach

Chlorinated Bleach
Institutional strength formula with powerful destaining action. Professional Line Bleach eliminates stains from fabric quickly and easily. Provides brighter whites with less product.

SKU 100858631 1/1.5 Gallon

PROFESSIONAL LINE

BLUE STAR

A Liquid Laundry Break and Suds Combination

For institutional laundry use only. Do not use in homestyle machines.

- Phosphate free
- Combination product
- Penetrates fabric quickly
- Institutional strength
- Used at all temperatures

OXY-BOOST

Liquid Laundry Booster/Oxidizer, Free Rinsing Formula

OXY-BOOST is a powerful cleaner, destainer and sanitizer. Strong Oxidizers neutralize stains, brightens whites and safely cleans colors. Auto inject OXY-BOOST directly in the wash cycle step to cut out rinses and save water. This method increases production by lessening wash formula time. For best results use with other BCI Water Smart products.

OXYGEN BLEACH

Liquid Laundry Color Safe Bleach

This product is a versatile product that provides excellent cleaning ability, yet is safe to use on all types of colored and synthetic fabrics. Oxygen Bleach aids in the overall success of today's complicated laundry programs.

SKU	PACK SIZE
5336321	2/1.5 gal

SOUR

Ultra Concentrated Laundry Sour

This product is a hyper-concentrated formula that provides the most effective and economical results in applications where a separate sour is preferred. This product can be used with or without microTECH™ Softener and provides effective pH control, eliminates iron staining and prevents yellowing on all types of fabric.

SKU	PACK SIZE
5336742	2/1.5 gal

DE-IRON

A Concentrated Laundry Sour

For institutional laundry use only.

- Contains souring agents
- Phosphate free formula
- Contains iron inhibitors

SKU	PACK SIZE

- Phosphate free formula
- Contains rust inhibitors

SKU	PACK SIZE
4434252	5 gal
4434076	15 gal

LIQUID SOUR 'N SOFT

Ultra Concentrated Laundry Softener & Sour

This product combines three functional laundry steps in one easy to use combination product. It includes the highest quality souring agents, excellent cationic fabric softeners and optical brighteners to leave cloth fresh, clean, bright and soft. It should always be used in the final rinse of the laundry program and can be used in high or low temperature operations.

SKU	PACK SIZE
5337083	2/1.5 gal
5389262	15 gal

SOFTENER

Ultra Concentrated Laundry Softener

This product is a hyper-concentrated formula that provides the most effective and economical results in applications where a separate softener is preferred. It can be used with or without microTECH™ Sour, providing the flexibility needed in many institutional settings. This product has a pleasant citrus scent, leaving fabrics smelling great, as well as soft and static free.

SKU	PACK SIZE
5336478	2/1.5 gal

LIQUID LAUNDRY SIZE

Liquid Laundry Starch Sizing

This product is a synthetic sizing that is utilized during the final rinse. It adds body to polyester and cotton/polyester table linens and napkins. Linens must be thoroughly cleaned during prior wash cycles, as oily soils reduce the efficiency of the sizing. It is essential that this product be used as directed, as misuse may cause a sizing buildup in the linens.

SKU	PACK SIZE
5388198	5 gal

WHISPER

Premium Laundry Fabric Softener

This product is a liquid cationic fabric softener for all types of laundry operations. It is highly concentrated to provide fluffy and soft fabric. This product is economical to use because it reduces the pulling and extraction time of loads, eliminates static, reduces sticking and increases comfort of all clothes and linens.

SKU	PACK SIZE
057077	5 gal
5389297	15 gal
5487233	55 gal

LIQUID ANTICHLOR

Chlorine Neutralizer

This product is an effective liquid anti-chlorine compound that prevents unwanted residual chlorine on treated fabric. It is capable of removing many reducible stains.

SKU	PACK SIZE
5505438	15 gal
5505374	55 gal
