

glanHEALTH **ADVANCED**
HAND SANITIZER

**LONG-LASTING, ALCOHOL-FREE, NON-IRRITATING
GERM KILLER WITH NO HARSH CHEMICALS**

GlanHealth Advanced Hand Sanitizer is second to none - offering long-lasting, alcohol-free protection with a single pump.

Alcohol-based products are highly flammable and/or toxic and cause allergic irritations and rashes. Rather than kill by one simple mechanism, GlanHealth Advance Hand Sanitizer kills via three different modes of action, including poisoning the germ cell itself, effectively eliminating harmful germs and bacteria, bio-films and spores. Unlike alcohol-based sanitizers, GlanHealth Advanced Hand Sanitizer continues killing for at least 4 hours.

**KILLS UP TO 99.99%
OF HARMFUL GERMS
AND BACTERIA**

**MOISTURIZES
WITH SOOTHING
ALOE VERA**

**PROTECTS
FOR UP TO
24 HOURS**

**ALCOHOL
AND BLEACH
FREE**

ADVANCED

HAND SANITIZER

GlanHealth Advanced Hand Sanitizer is a breakthrough in germ killing. With a single pump, our unique, fast-acting, alcohol-free product forms a protective nano antimicrobial barrier on your hands providing at least 4 hours of protection, while gently moisturizing your skin.

UP TO 24 HOURS PROTECTION AGAINST HARMFUL GERMS

With its unique technology, GlanHealth Advanced Hand Sanitizer's nano antimicrobial barrier not only kills on contact, but continues killing germs. This persistent activity helps provide additional protection after initial use.

NEUTRALIZES HARMFUL GERMS

By disrupting the outer cell membrane, GlanHealth Advanced Hand Sanitizer neutralizes harmful germs it comes in contact with. This physical kill ensures microorganisms don't adapt or become resistant over time.

AVAILABLE IN THE FOLLOWING SIZES	
1.7 oz. Foam Bottle	DHP0012
2 oz. Foam Bottle	DHP0058
5 oz. Foam Bottle	DHP0077
7 oz. Foam Bottle	DHP0013
500 ml Foam Bottle	DHP0052
1 Gallon Container	DHP0014

55 Gallon Container	DHP0016
300 Gallon Container	DHP0017

GLANHEALTH ADVANCED HAND SANITIZER	OTHER HAND SANITIZERS
Long-lasting protection tested up to 24 hours	Alcohol-based protection lasts just 30 seconds
100% alcohol free	Over 60% alcohol
Non-flammable and non-toxic	Highly flammable and/or toxic
Non-irritating	Cause allergic irritation and rashes
Moisturizes your hands, helps prevent skin cracks	Dry out your skin, promoting cracking
Kills via unique chemo-electro-mechanical mode of action	Kills by way of poisoning the germ cell only
Kills up to 99.99% of bacteria, bio-films, spores, and germs	Do not kill spores and bacterial bio-films that may kill up to 99.99% of harmful bacteria and germs

ALCOHOL-FREE FORMULA

Most sanitizing body sprays contain over 60% alcohol to poison harmful germs. Not only does that make them highly flammable, but it also heightens the risk of ingesting a highly toxic mixture. Continuous use of alcohol-based sanitizers can dry out the skin and lead to painful irritations, including allergic rashes and the cracking of the skin. GlanHealth's Advanced Hand Sanitizer is water-based and contains no alcohol. It's also non-flammable and non-poisonous. It's the safe and effective choice for the whole family!

MOISTURIZES WITH ALOE VERA

With each application, aloe vera and other gentle silk proteins moisturize and replenish, leaving the skin feeling fresh and soft.
