# Manual Stain Treatments

BCI's Laundry Clean 360 Industrial Laundry Chemical Program

## ✓ Pre-Treatment Sprays

## ✓ Pre-Soaks

### Laundry Spotter

#### ALL-PURPOSE CONCENTRATED SPOT REMOVER

LAUNDRY SPOTTER safely removes all common spots, such as oil, grease, grass stains, lipstick, ball point ink (except permanent), latex and plastic paint, tar, nail polish, liquors, coffee, blood, chocolate, fruit stains, mustard, ketchup and many others.

### Stain Away

#### CONCENTRATED BLOOD SPOT REMOVER

STAIN AWAY is unique in its ability to remove blood and meat juices.

### Control

#### LAUNDRY STAIN REMOVER OIL & GREASE EMULSIFIER

CONTROL is a synergistic combination of emulsifiers, water conditioning agents, and solvents. Use it alone or in combination with alkaline builders.

### Stain Buster

#### COFFEE, TEA & WINE STAIN REMOVER

STAIN BUSTER has been used for years by commercial laundries and dry cleaners. It removes specific stains such as coffee, tea, some wines, medicine, liquors and similar stains.

### Rust Remover

#### READY-TO-USE IRON STAIN REMOVER

RUST REMOVER provides superior rust and stain removing action.

### PeroXzone<sup>®</sup>

TOUGH on STAINS easy on colors. Fortified with germ-fighting hydrogen peroxide for today's modern fabrics. PeroXzone<sup>®</sup> oxidizes stains, whitens whites, and brightens colors. Use as a PRE-SOAK for HEAVILY SOILED items before MAIN WASH.

### PeroXzone<sup>EZ</sup>

+ OXY-BOOST  
Commercial Laundry Detergent Enzymatic

Fortified with germ-fighting hydrogen peroxide and low-temperature stain-fighting enzymes. PeroXzone<sup>®</sup> oxidizes stains, whitens whites, and brightens colors. Use as a PRE-SOAK for HEAVILY SOILED items before MAIN WASH.

### Reclaim Powder

A well balanced, highly alkaline detergent booster for reclaiming set stains on aprons, chef's coats, towels, linens, and similar heavy soiled items

### Oxalic Acid

This Material is used to remove rust and iron stains in commercial laundries. Your BCI laundry specialist will advise usage rate and how to safely use.
